

BAIT-E-JAMILA FOUNDATION

ORPHANS HELPLESS MAN AND WOMEN

INTRODUCTION

- Bait-e-Jamila Foundation was founded on 18 December 2021 by Mahmood Hassan Shahid with the idea of providing home, health care, education and welfare to orphaned children and helpless women.
- The foundation would be providing a family environment, a solid foundation where the children could built their lives and grow with dignity and respected members of the society.

MISSION STATEMENT

To create a loving home for orphaned children and raise them to have good moral character & education so they can realize their highest human potential.

CHILD ADMISSION POLICY

- **CHILDREN SELECTION POLICY.** We prioritize kids who have lost both parents then the ones whose fathers have passed away and the mothers are not able to take care of the children financially and emotionally. We won't take children whose parents are still alive no matter how poor they are.
- **CRITERIA**
 - Age range is 4-9 years. Older children will be girls and younger age groups will be both boys and girls. Boys' ages range: 4-7, Girls' age range: 4-9
 - Boys will be separated from day 1.
- **GENDER MIXING.** Gender mixing will happen during school, mixed community time. We want to separate the genders but also want them to learn how to interact with the opposite gender with Adab and respect.
- **ADMISSION RESTRICTIONS**
 - We can't take babies as we won't have the ability to care for them.
 - We can't take kids with mental health issues or handicapped children as they need special care and the staff has to be trained.
 - We will take kids regardless of their religion or belief as long as they are willing to learn the deen and practice it.
